PHILIPS

sense and simplicity

Xenium
X331 Black

CTX331BLK/00

Highlights

Up to 50 days standby time
The phone can be on and in standby mode continuously for up to 50 days on a single charge.

Up to 14 hours talk time
The phone can support up to 14 hours conversation on a single charge.

Up to 60 hours music playback
Enjoy music playback for up to 60 hours on a single charge.

Dual SIM
Organize your life better and keep your contacts separate by using 2 different phone numbers. With Dual SIM, you don't need to carry 2 phones around.

7.1 cm (2.8") TFT touch screen
Enjoy brilliant colors and vibrant images like never before with your phone's large 7.1 cm (2.8") TFT display. Revel in intuitive navigation and discover a world of mobile possibilities - with just a touch.

2 Megapixel camera
Capture and enjoy precious memories in clear and sharp picture quality with 2 megapixel resolution. Vibrant, colorful pictures are just a click away.

RDS FM Radio
Enjoy quick and easy tuning to your favorite stations with Radio Data System (RDS) display, which shows the name of the station instead of frequency numbers. RDS also allows stations to transmit text messages and information directly to your radio display, so you can keep updated with news updates and radio promotions.

Bluetooth stereo music
Your Philips mobile phone supports A2DP Bluetooth Profile. It lets you enjoy your favorite tunes wirelessly and in high quality stereo music from your Bluetooth headphones.

WLAN connectivity
With WLAN, you can enjoy speedy access to the Internet on your mobile phone. Go ahead and leisurely browse the web or send emails and files.
